SRCO & SRCO-2

CONVECTION OVENS

The Sierra SRCO features an all-stainless steel construction, that includes three stainless steel inshot burners with a total output of 54,000 BTU/hr, providing lightning-quick heating. The stainless front, top and sides, galvanized back panel, and porcelain enamel interior allows for easy cleaning. Five nickel plated oven racks with eleven position interior rack guides allow for an easy modular customization.

The SRCO features a modern look and design, form and function fit for the most demanding kitchens at an affordable price.

The SRCO Single Oven comes with the SRCO-LK leg kit, including 4 black enamel legs with levelling feet.

The SRCO-2 Double Stacked Ovens come with the SRCO-SK stacking kit, including heavy duty casters (locking in front), separator tray, exhaust flue extension and mounting hardware.

SRCO

SRCO-2

STANDARD FEATURES

- Three inshot burners - 18,000 BTU each with a 54,000 total BTU output
- Independent doors with two windows
- 2-speed, 1/2 hp fan motor (1725, 1140 rpm)
- Porcelain enamel oven interior
- Five nickel plated oven racks with eleven position interior rack guides
- Electronic ignition (Fenwall)
- Electronic thermostat & manual timer controls (FAST)
