Plastic Condiment Organizer With Removable Compartments

Item: 43642

Omcan's condiment organizer with removable compartments is the smart solution for keeping your condiments nice and organized for your customers. It features a compact design which makes this product suitable for limited counter space. This unit also features removable plastic compartments for easy cleaning.

Authorized Dealer

Features:

The compartments allow for full customization where you can add or remove inserts. The polypropylene construction allows for easy cleaning after each use.

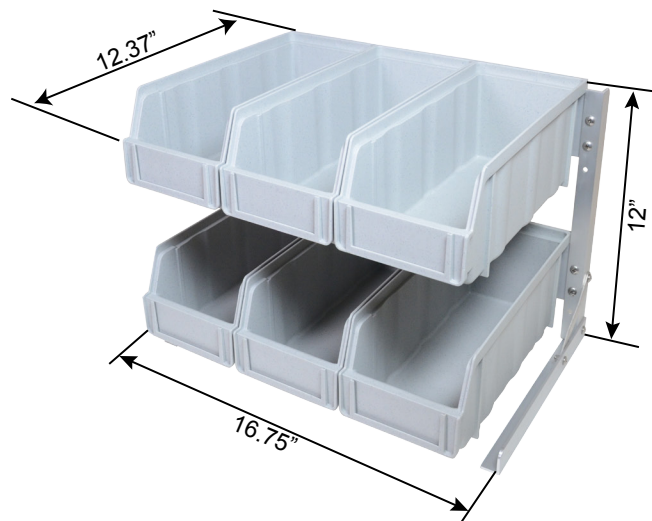

The aluminum frame makes this unit lightweight and easy to maneuver.

The compact design makes it suitable for limited countertop space. It comes with a suitable compartment size enough to organize those napkins, forks, spoons, or any other condiments for your establishment. Each compartment is designed to sit comfortably in the frame for stability.
